

Its Good to Be Alive – Imelda May

[D7] Do Do Do .. Do Do Do Dooo [D7] Do Do Do .. Do Do Do Dooo
[G7] Do Do Do .. Do Do Do Dooo [A7] Dooooo

My [D7] thoughts are dark and empty... I'm not crying out loud
Don't [G7] know what am I asking for if an answer can be found
The [D7] loneliness is killing though there's someone in my bed
There's [G7] only so much living that I fear I could be dead
But then [E7] standing at my window when the night seems like it's won
And [A7] everything seems brighter with the sign of the sun [A7] **[STOP]**

(CHORUS) And I said

[D7] Oh my God it's good to be alive [D7] oh my God it's good to be alive
I [G7] know one thing for sure is that I'll die but today Yeah ! it's good to be
A[D7]live

[D7]Do Do Do .. Do Do Do Dooo [D7] Do Do Do .. Do Do Do Dooo

[D7] Lying in my bedroom.. my eyes are wide awake
My [G7] body's tired and given up... oh for heaven's sake
Won't you [D7] please send me a little sleep to ease my worried mind
I'm [G7] losing rationality that I won't know how to find
But then [E7] standing at my window when the night seems like it's won
And [A7] everything seems brighter with the sign of the sun [A7] **[STOP]**

(CHORUS)

[D7] Things are looking up for me when the clock keeps ticking on
[G7] Holding on to time gone by... clinging to a song
To [D7] pull me through with every word or rock me with a tune
And [G7] hold my hand with the shadow man who's hiding in my room
But then [E7] standing at my window when the night seems like it's won
And [A7] everything seems brighter with the sign of the sun [A7] **[STOP]**

And I Said [D7] Oh my God it's good to be alive [D7] oh my God it's good to be alive
I [G7] know one thing for sure is that I'll die but today Yeah ! it's good to be
A[D7]live

[D7]Do Do Do It's good to be alive **(Repeat x 4)** [D7] /
