

## Pass It On - The Coral

[Am] [C] [G] **(x3)**

Every [Am] day I recognise what's de[C]ceased and what's a[G]live  
But don't re[Am]peat what I just said until [C] gold has turned to [G] lead  
Then all the [Am] tales will be told whilst you and [C] I are in the [G] cold  
But don't [Am] think this is the end cos it's [C] just begun my [G] friend

And when it's [Bm] done

And all this is [Em] gone

[G] Just find a [C] feeling pass it [Em] on **(STOP)**

For every [Am] tear cried in shame there'll be [C] someone else to [G] blame

And every [Am] crime that I commit there'll be a [C] punishment to [G] fit

But I'd ac[Am]cept what's coming round if I could [C] only lose this [G] sound

That's been [Am] ringing in my ears and tor[C]menting me for [G] years

And when it's [Bm] done

And all this is [Em] gone

[G] Just find a [C] feeling pass it [Em] on **(STOP)**

[Am] [C] [G] **(x4)**

And when it's [Bm] done

And all this is [Em] gone

[G] Just find a [C] feeling pass it [Em] on

[G] Just find a [C] feeling pass it [Em] on

[G] Just find a [C] feeling pass it [Em] on

[G] Just find a [C] feeling pass it [Em] on

[G] [C] [D] **(x3)** [G] [G]
